

About EcoDuct Series

Can EcoDuct be supplied in any shape, size and colour?

EcoDuct is the only UK manufacturer of all shapes, sizes and colour finishes of phenolic pre-insulated ductwork.

We can do circular, rectangular, flat oval and square ductwork, as well as triangular and any other shape required, using the same bespoke precision fabrication process.

We can also provide the ductwork in any RAL colour or effect, which can be ideal in exposed environments such as retail and offices. **Find out more at www.ecoduct.co.uk**
